REMARKS

This is UNEVALUATED
Information

1. The following observations were made at Aspern airfield between 0800 and 1400 on 28 September 1954:

25X1

Twenty-eight MiG-15s and 3 Yak-11s were parked there. No air activity was conducted. There was a 1/10 overcast at an altitude of about 1,000 meters, intermittent rain; a westerly wind of about 15 km/h and visibility of 1 km. Two gray crates were observed near the aircraft repair shop. The AA gun emplacements were unoccupied and unguarded. Four tank trucks were parked in the western fuel dump. Vehicular traffic near the flight control building involved 2 van-like trucks

25X1

3 trucks

All of the vehicles had drivers wearing black-bordered blue epaulets. Sixteen trucks and 5 van-like trucks were parked in the sheds of the garage installation and 6 tank trucks were parked in the open in front of the sheds.

25X1

2. Numerous Soviet children with satchels entered No 7 Sieges Platz in the Aspern military post. Building No 29 on Wimpfen Gasse was occupied by personnel wearing black-bordered blue epaulets. Sentries wearing the same service color were posted in front of the cantonment. The other buildings were no longer occupied by Soviets.

3. The Konrad Kaserne in the Gross Enzersdorf military post was frequented by officers and soldiers wearing black-bordered blue epaulets, and guarded by sentries with the same service color. The following motor vehicles were parked in the yard of the former home for aged people:

11 Trucks, with mounted searchlight and
6 van-like trucks

Comment. It is believed that Aspern airfield is still occupied by a Soviet fighter regiment.
